

Censers Pharmaceutical and Laboratories Limited

INVESTOR PITCH DECK

COMPANY SUMMARY

Censers Pharmaceutical and Laboratories Limited is an organization with a core focus on providing diagnostic and pharmaceutical services in Nigeria.

PROBLEM SUMMARY

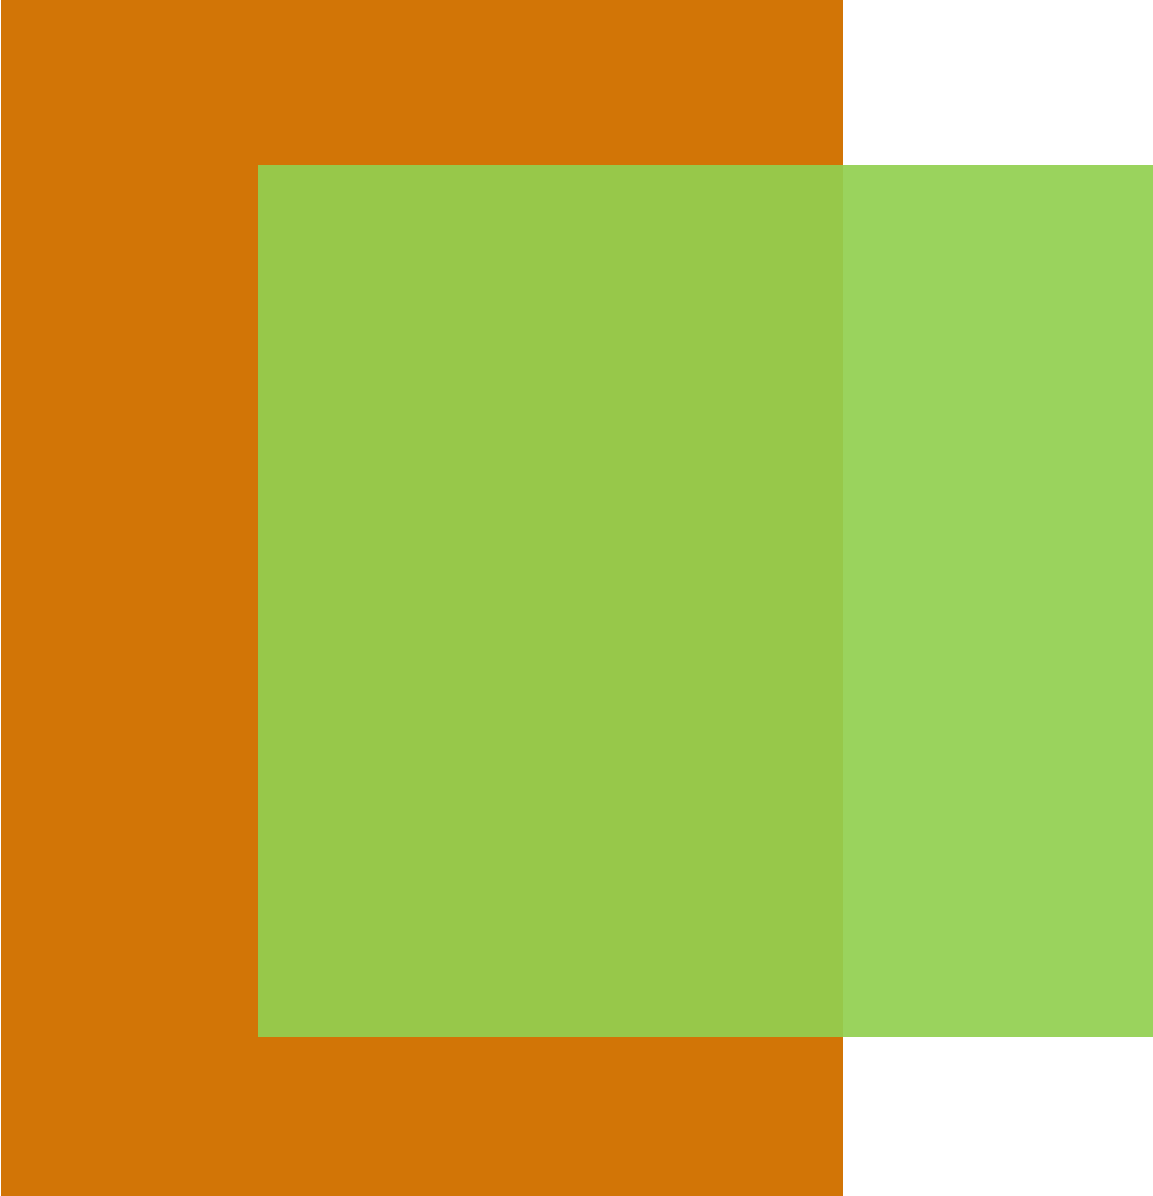

Lack of top notch diagnostic centre leading to inaccurate test results and poor treatment outcomes.

Fake drugs resulting in high mortality rate in patients.

SOLUTION SUMMARY

Establish a top notch diagnostic centre integrated with a pharmacy leading to not just accurate test results and great treatment outcomes, but a safe place to purchase genuine drugs.

BUSINESS OPERATIONS

LABORATORY AND DIAGNOSTIC CENTRE

We will carry-out laboratory and diagnostic services on patients, each diagnostic service will vary in price depending on the service.

RETAIL PHARMACY

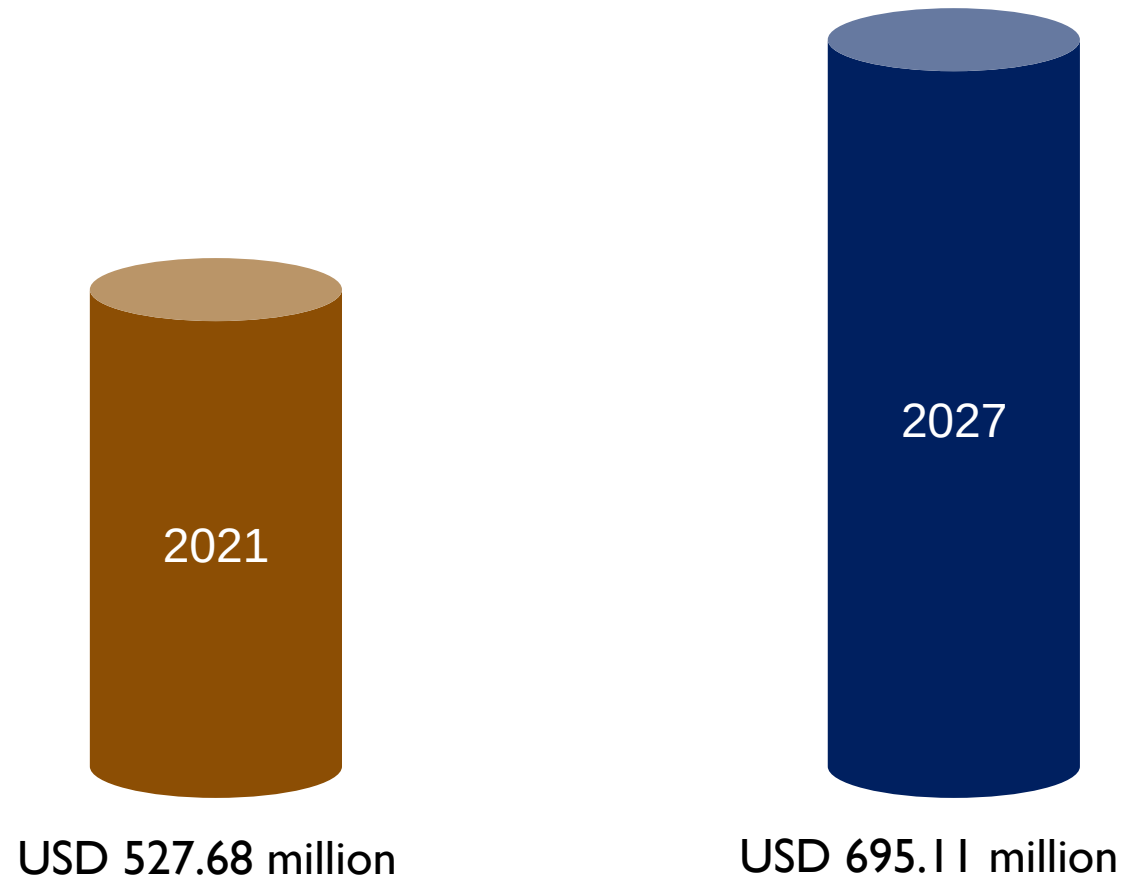

Our retail pharmacy will serve as a one-stop shop for patients and people seeking to buy different drugs and medications.

WHOLESALE PHARMACY

The wholesale pharmacy will serve wholesalers and retail pharmacies providing them a salespoint to buy drugs in bulk at wholesale prices.

MARKET SIZE

Nigerian clinical laboratory services market

MARKET VALIDATION

Prescription drug boom shoots
Fidson's quarterly profit **213%**
higher in 2025.

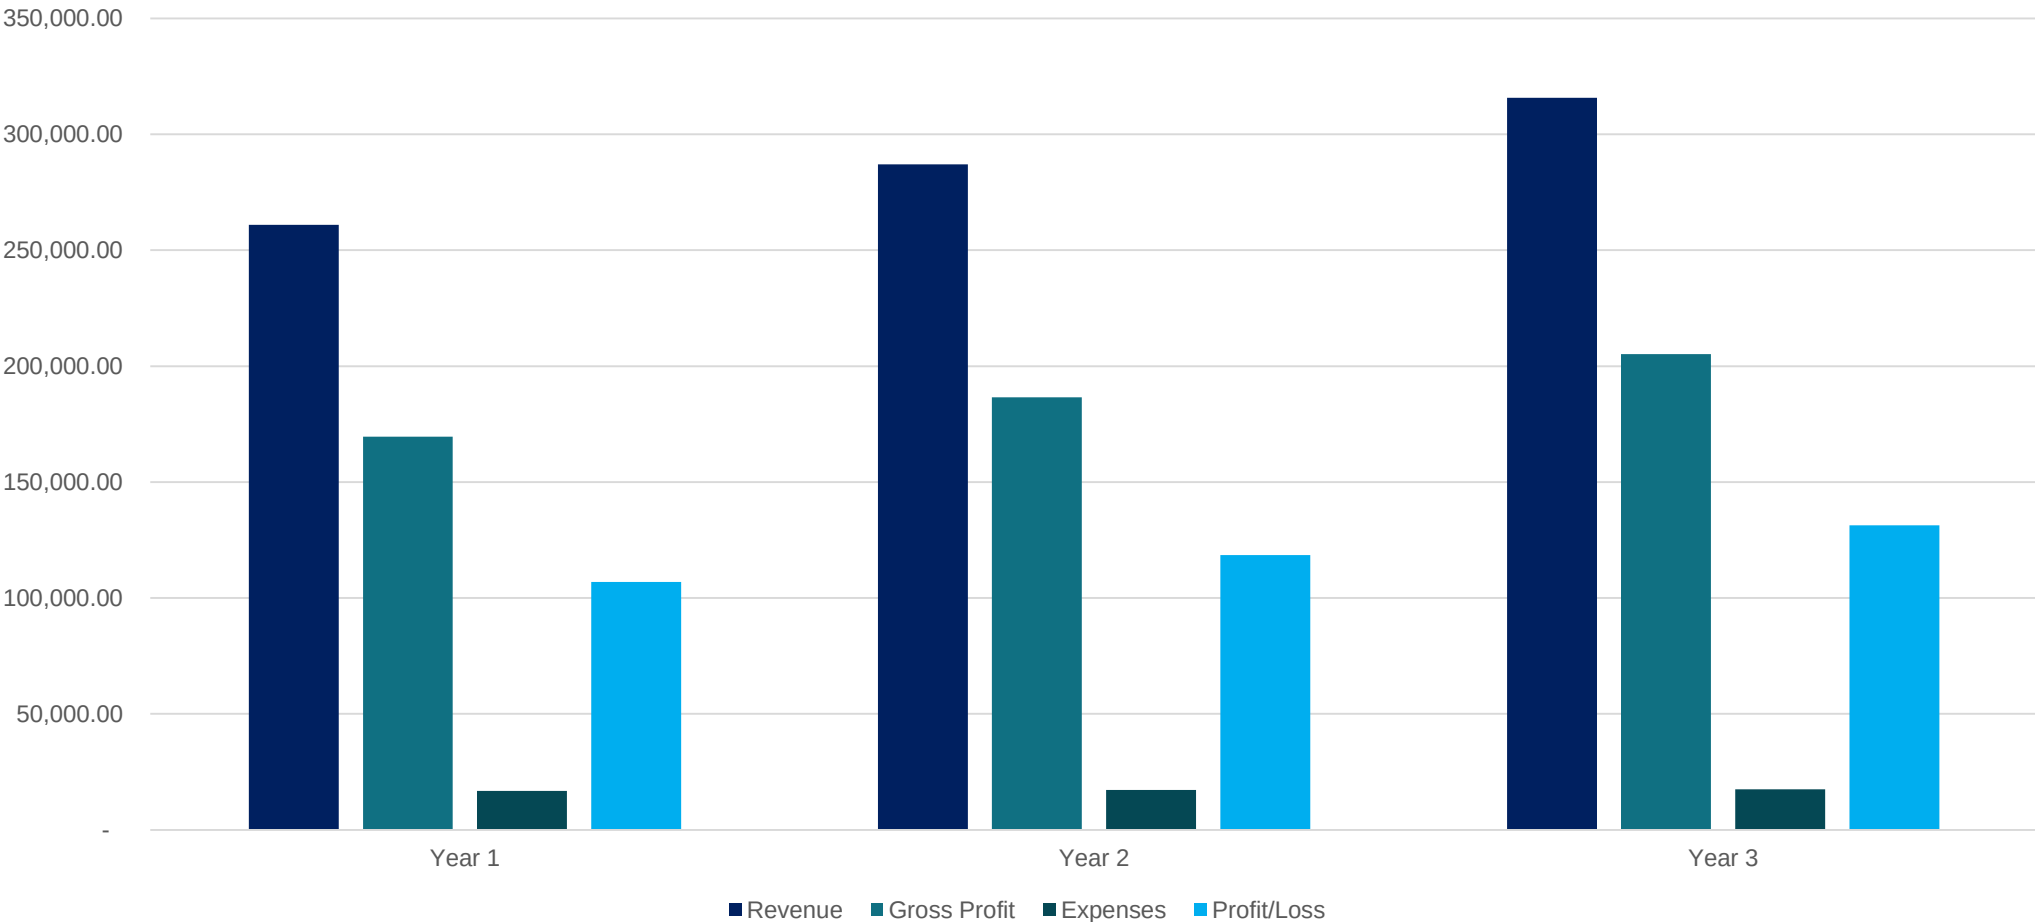

Fidson Healthcare turned in 213.5 per cent more in profit in the first quarter of the year, compared to the same period of 2024, as Nigeria's fast-growing market for prescription drugs boosted sales.

COMPETITION

Edge: The big players above don't have a presence in our location in Rivers state.
