

THE NODE GROUP BLOCKCHAIN INTEGRATION SOLUTIONS

Empowering businesses through decentralized innovation. We bridge the gap between traditional systems and blockchain technology.

by Jessica Butler

WHY BLOCKCHAIN? WHY NOW?

The Node Group bridges that gap

GLOBAL SHIFT

Businesses are moving toward decentralization worldwide.

GROWING DEMAND

Companies need transparency, automation, and data security.

EXPERTISE GAP

Most businesses lack blockchain integration knowledge.

Made with GAMMA

THE PROBLEM

OUTDATED SYSTEMS

Traditional systems are opaque, inefficient, and vulnerable.

TECHNICAL COMPLEXITY

Companies struggle with blockchain adoption due to complexity.

MISSED OPPORTUNITIES

Businesses lose out on automation, security, and digital transformation.

OUR SOLUTION

The Node Group provides end-to-end blockchain integration

CUSTOM BLOCKCHAIN DEVELOPMENT

Tailored solutions for your specific business needs.

SMART CONTRACTS & AUTOMATION

Automate processes with secure, self-executing agreements.

IDENTITY & ASSET TOKENIZATION

Secure digital representation of physical assets and identities.

CRYPTO PAYMENTS

Enable global transactions with reduced fees.

Made with GAMMA

MARKET OPPORTUNITY

\$60B+

MARKET SIZE BY 2030

Projected blockchain market value

4

KEY SECTORS

Finance, Healthcare, Supply Chain, Government

45%

COST REDUCTION

For cross-border payments using blockchain

20%

SALES INCREASE

After crypto payment integration

REAL-WORLD IMPACT

CROSS-BORDER PAYMENTS

E-commerce client cut remittance costs by 45% using RippleNet.

IP PROTECTION

Art platform reduced disputes with Ethereum-based rights management.

DOCUMENT VERIFICATION

University eliminated credential fraud with our solution.

BUSINESS MODEL

CUSTOM DEVELOPMENT

Tailored blockchain solutions for specific business needs.

TRAINING PACKAGES

Compliance and educational resources for teams.

MONTHLY RETAINERS

Ongoing support and upgrades for deployed solutions.

WHITE-LABEL SOLUTIONS

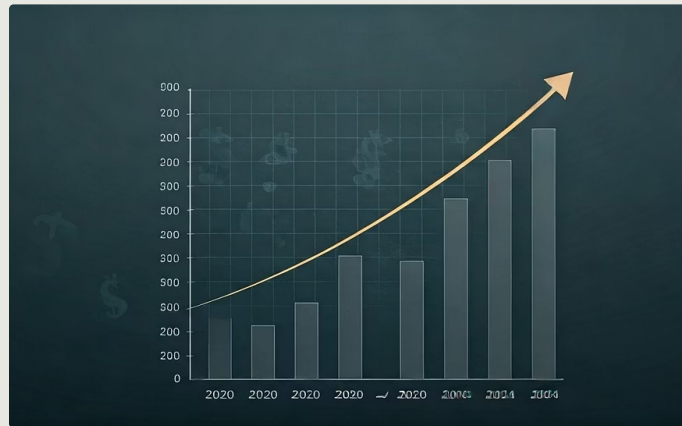

Ready-to-brand blockchain tools for agencies.

JOIN THE DECENTRALIZED FUTURE

\$500K SEED ROUND

Funding our vision

\$8M BY YEAR 3

Projected revenue growth

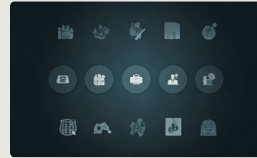

PARTNERSHIP OPPORTUNITY

Let's build something extraordinary—together

COMPETITIVE ADVANTAGE

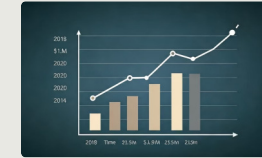

Full-stack
service: from
consultation to
deployment

Cross-industry
expertise

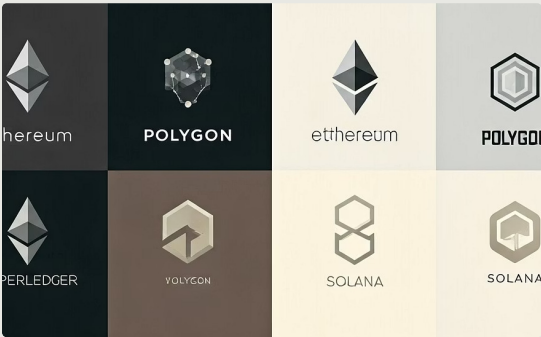

Compliance
and legal
advisory
included

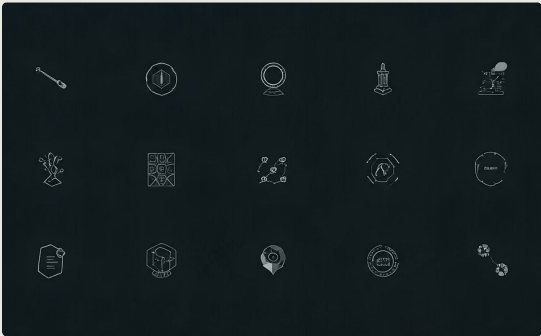

Real-world
deployments
with
measurable
ROI

TECHNOLOGY STACK

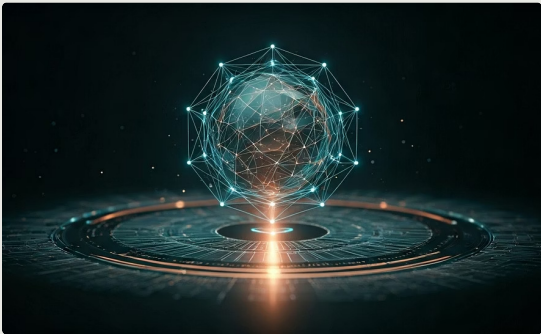

BLOCKCHAIN PLATFORMS

Ethereum, Polygon, Hyperledger, Solana

PROGRAMMING LANGUAGES & TOOLS

Solidity, Rust, Web3.js, IPFS

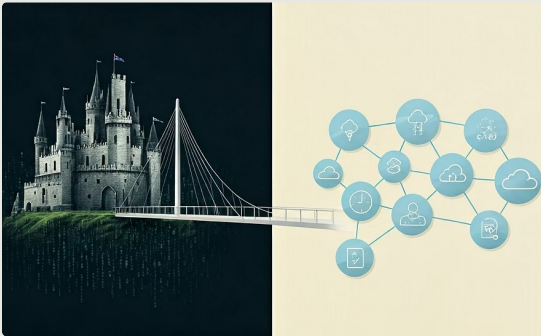

DATA ORACLES

Chainlink for reliable external data feeds

TRACTION & MILESTONES

Signed 5 B2B clients within 6 months

Strategic partnerships in cybersecurity and enterprise SaaS

Projected revenue growth: \$500K in Year 1 to \$8M by Year 3

MEET THE TEAM

Our leadership includes experienced blockchain entrepreneurs and experts across development, project management, and compliance.

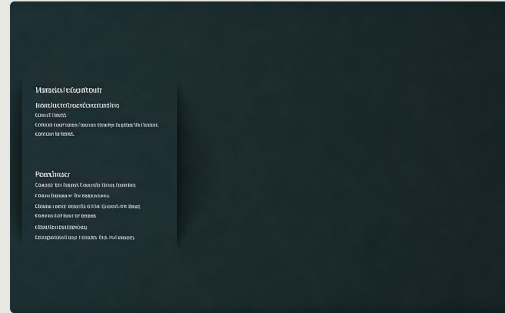

- CEO/Founder: Visionary entrepreneur with blockchain experience
- CTO: 10+ years in blockchain architecture
- Developers, PMs, Legal/Compliance Experts

FINANCIALS & ASK

FUNDING REQUIRED

\$500,000 seed round to fuel growth

PRODUCT DEVELOPMENT

40% of funds dedicated to building the product

SALES & MARKETING

30% allocated to expanding market reach

OPERATIONS & LEGAL

15% Operations and 15% Legal & Compliance
