Professional Summary

Software Engineer with experience in Java, Python, JavaScript, React.js, Node.js, Express.js, REST APIs, and SQL. Skilled in developing web applications, implementing backend functionality, integrating databases, and building responsive user interfaces. Strong foundation in object-oriented programming, data structures, debugging, and problem-solving, with an eagerness to learn new technologies and build reliable, scalable software solutions.

Work Experience

AtriaLogic Pvt Ltd Technologies

JAN 2026 - Jul 2026

Bangalore-Karnataka

Software Engineer

- Contributed to software development and technical solutions based on project requirements, focusing on application functionality, data processing, and delivering reliable solutions aligned with business needs.
- Used SQL to analyze and validate business data, investigate discrepancies, and ensure data accuracy while supporting the development of financial performance dashboards and reports using Power BI, DAX, and Power Query.
- Collaborated with team members to understand requirements, troubleshoot issues, validate results, and deliver reliable solutions.

Gangaaram Technologies (Intern)

May, 2024 - July, 2024

Tirupati, Andhrapradesh

MERN Stack Web Development

- Developed a full-stack e-commerce web application using React.js, Node.js, Express.js, and MongoDB, building responsive user interfaces and integrating frontend components with backend services.
- Implemented product browsing, shopping cart functionality, product quantity management, and database operations to provide a smooth and user-friendly online shopping experience.
- Tested application workflows, debugged frontend and backend issues, and validated API responses to improve functionality and ensure consistent communication between application components.

Education

Sree Vidyanikethan Engineering College , 82.9%

2021 - 2025

Bachelor of Technology in DS (Data Science)

Tirupati, Andhra Pradesh

Siddhart College , 91.4%

2019 - 2021

Mathematics, Physics, Chemistry (Board Of Intermediate, Andhra Pradesh)

Madanapalle, Andhrapradesh

Zilla Parishad High School , 88.7%

2018 - 2019

Class X (Board Of Secondary Education , Andhra Pradesh)

Settivariipalle, Andhra Pradesh

Projects

Hospital Appointment Booking

- Built a Hospital Appointment Booking website using HTML, CSS, JavaScript, XAMPP, and PHP, allowing users to enter their details and check doctors' availability online.
- Implemented appointment booking and receipt generation functionality, enabling patients to schedule appointments and receive booking details efficiently.
- Integrated PHP with MySQL to store and manage patient details, doctor information, and appointment records, ensuring reliable data management and retrieval.

9Techsea

- Developed a frontend replica of the 9Techsea company website using React.js, based on an existing website design and layout.
- Recreated key UI components, navigation, responsive layouts, service sections, and interactive elements to closely match the reference website.
- Focused on React component development, responsive design, UI implementation, and frontend optimization to provide a consistent user experience across different screen sizes.

Skills

- Programming Languages:** Java, Python
- Front-end:** HTML, CSS, JavaScript, React.js
- Back-end:** Node.js, Express.js, REST APIs, PHP
- Database Management:** MySQL, MongoDB;
- Core Concepts:** Object-Oriented Programming, Data Structures and Algorithms, Debugging, Problem-Solving
- Additional Tools:** Git, GitHub, Power BI, DAX, Power Query

Certifications

- WIPRO:** Java Full Stack certificate.
- NPTEL:** Java certificate.
- INTERNSHALA:** Web Development certificate.
- ANSR:** Java certificate.

Clubs Professional Societies And Co Curricular Activities

- Volunteer in **National Service Scheme (NSS)**.
- Coordinators in **MOHANA MANTRA - 2024**, A National Level Techno Culture Fest Of SVEC.
