PROFESSIONAL SUMMARY

Entry-level Python/Django Developer with internship and project experience in web and desktop development. Skilled in Python, Django, SQL, PostgreSQL, JavaScript, HTML, CSS, Bootstrap, Celery, Redis, and API integration. Built a Django-based shopping application with product search, session-based cart management, AI API integration, and background task processing, plus a Python/Tkinter application for CSV/MIDI handling.

TECHNICAL SKILLS

Languages: Python, JavaScript, SQL

Frameworks & Libraries: Django, React.js, Node.js, Tkinter, Bootstrap, Celery

Web Technologies: HTML, CSS, Django APIs, API Integration

Databases & Infrastructure: PostgreSQL, Redis

Core Concepts: OOP, Problem Solving, Background Tasks, Session Management

INTERNSHIP EXPERIENCE

Python Intern | Future Point Technology | 01 May 2023 - 15 Jun 2023

Python development internship with practical exposure to software development workflows and programming tasks.

Web Development Intern | Future Point Technology | 15 Jun 2022 - 30 Jul 2022

Web development internship focused on building and understanding web application development fundamentals.

PROJECTS

Coffee & Tea Shop | Django Web Application

Tech Stack: Python, Django, PostgreSQL, HTML, CSS, Bootstrap, JavaScript, Celery, Redis, AI API

- Developed a Django-based coffee shop application with product search and session-based shopping cart functionality.
- Integrated PostgreSQL, Bootstrap, HTML/CSS, and JavaScript to support a responsive web experience.
- Integrated an AI coffee assistant through an external API and used Celery with Redis for background task processing.

Classical Piano Composer | Python Desktop Application

Tech Stack: Python, Tkinter, CSV, MIDI

- Built a Python/Tkinter desktop application for classical piano composition with CSV and MIDI file handling.

EDUCATION

B.Tech - Dr. Babasaheb Ambedkar Technological University, Lonere | GPA: 7.2 | 2025

HSC - Maharashtra State Board | 82% | 2021

SSC - Maharashtra State Board | 73% | 2019

CERTIFICATIONS

- **Python Certification** - Future Point Technology | 2023
- **Web Development Certification** - The Great Learning App | 2024
- **Full Stack Python** - Naresh i Technology, Hyderabad | 2025
- **Data Analysis with Python Certificate (DA0101EN)** - Cognitive.ai by IBM | 2026
