OBJECTIVE

Passionate full-stack developer with hands-on experience in MERN Stack, Django, Next.js, and PostgreSQL. Skilled in research, technical writing, and cross-functional collaboration to deliver user-focused solutions.

SKILLS

Languages: Python, JavaScript, SQL

Developer Tools: VS Code, PyCharm, GitHub, Postman, Swagger

Library/Frameworks: Django, React.js, Next.js, Express.js

Databases: MongoDB, PostgreSQL

INTERNSHIP

Hyperlink Infosystem

Sep 2025 – present

MERN Stack

Ahmedabad, India

- Developed backend systems for five applications using MongoDB and Express.js, implementing JWT-based authentication, conducting API testing with Postman, and documenting endpoints using Swagger. Built responsive frontend interfaces from Figma designs using React, Vite, and Tailwind CSS, and deployed React applications on Netlify for fast and reliable hosting.

WebNYS

Jan 2025 – May 2025

Python Developer Intern

Ahmedabad, India

- Integrated RESTful APIs for Python-based web applications, implementing end-to-end CRUD operations and scalable backend logic to fulfill business requirements. Optimized data storage solutions using PostgreSQL and MongoDB, ensuring high availability and quick query responses.

PROJECTS

Guidzo — Next.js, Django, PostgreSQL

2024

- Built a responsive web application using Next.js and SCSS to connect tourists with local and professional guides in Gujarat. Implemented dynamic destination listings, guide registration, tour reservations, and location-based recommendations. Integrated with a Django and PostgreSQL backend for secure API authentication and data management.

AI Chatbot & Image Generation — React.js, Express.js, Google Colab, Gradio

2025

- Developed an AI Chatbot using Google AI for Developers, enabling intelligent query handling and contextual responses for real-time user interactions. Built an image generation platform integrating Gradio and collaborative features with Stable Diffusion.

EDUCATION

Government Engineering College, Modasa

Sept 2021 – May 2025

Bachelor of Engineering in ECE – CGPA - **7.67**

Modasa, India

G.S.H.S. High School

2019 – 2021

Science Stream – Percentage - **72%**

Ahmedabad, India
